NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

By putting together various news stories from across the country it would appear that many innocent college students will likely suffer from the acts of the minority group of students, professors and college administrators currently sweeping the country.

One of the apparent signs of this is the fact that numerous people who have been giving generously to support colleges are taking another look at these gifts. Another sign is reaction of many legislators who, responding to the indignation of their citizens back home, may take a dim view of appropriations for colleges and universities.

Also we noted that a university in Kansas asked 150 insurance companies to submit bids for insurance on the campus buildings and did not receive one bid. The school had already been hit when one or two buildings were burned down and who could blame the insurance companies for not wanting to take this added risk.

We can only view these scattered reports with mixed emotions—we hope that maybe, just maybe, this will wake up some of the people in responsible positions to the fact that you cannot keep handing these young people matches without suffering from the resulting fire. But on the other hand, we must realize that a whole generation of students could be handicapped because of the acts of a few and the over-reaction on the part of many.

If we are able to be selective in our efforts to curtail these acts of violence on the part of the minority without infringing too deeply on the part of the good, honest students we may be able to survive this troubled period without suffering too much loss.

Another interesting sidelight to this current rage of marches and riots was the confrontation of the radical students and the construction workers in New York. It seems that one of the students made the mistake of using some of his foul language on one of the workers and got belted for his efforts. His reaction was, "But they were just words!"

This is where these young radicals are making their biggest mistake—they seem to think that all of these foul four letter words they are using are just words and are used only to get attention. But what they must come to understand is that most of us in this country still take these words seriously and at face value. And this applies even more so to our flag.

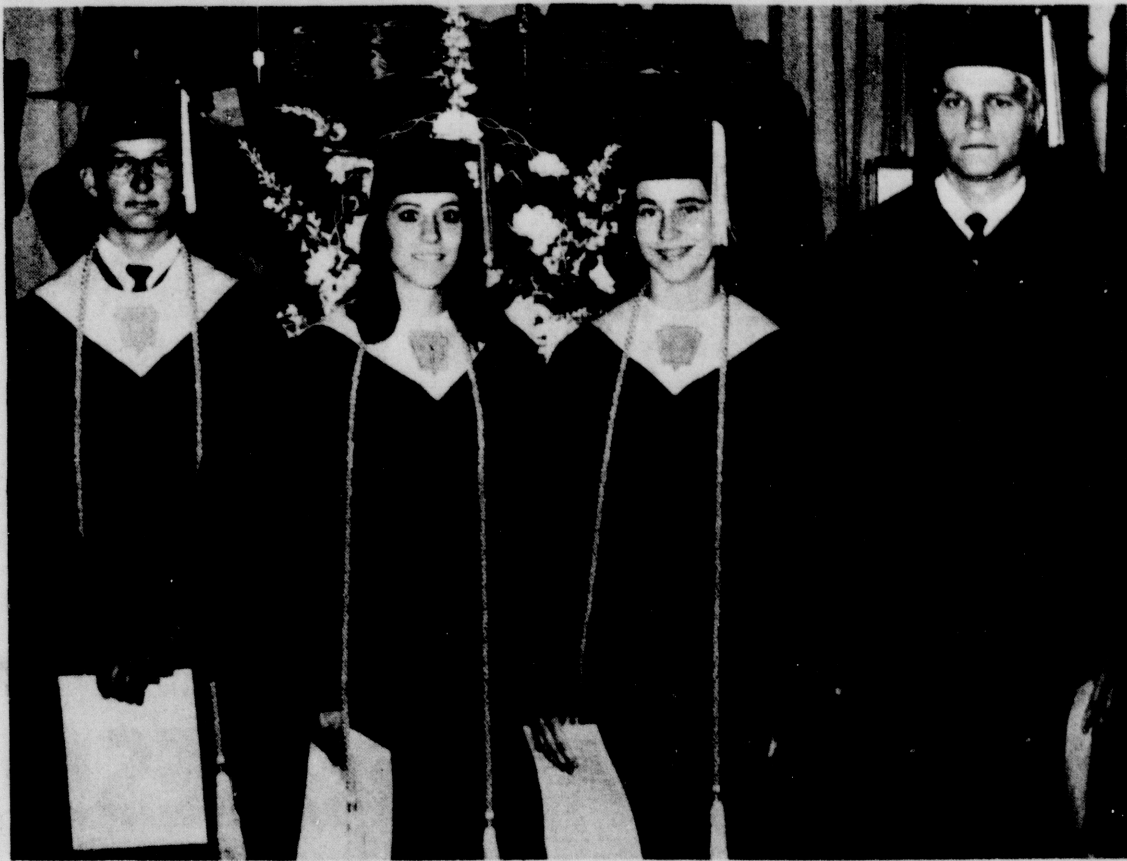

Most Americans still put our flag right up next to our church and to defile or deface either one is just more than we can take.

We hope that these young people—especially those among them that are just going along for the kicks—will wake up to the fact that there is a line that they must not go beyond.

For the benefit of our UT exes we must report that there is a new bumper sticker springing up around the country—so far we have not seen it in this area as yet. The sticker reads—"Hook'em Hippies."

There seems to be some speculation that they may be originating out of Aggie Land.

We were glad to see that the U. I. L. has finally softened their rule on student eligibility following a transfer. Now a student can move his senior year and still be eligible as long as he is released by the superintendent and other officials at the school last attended. This should help many hardship cases and we hope that it does not bring on a rash of recruitment which could wipe out this step forward.

SCHOLARSHIP WINNERS—Receiving scholarships at commencement exercises Monday evening were, from left, Chris Perrin, salutatorian, \$100; Peggy Jones, Ex-student scholarship, \$100; Mary Jane Wallace, Woman's Literary Club, \$100 and valedictorian, \$100; and Jerry Braley, Pied Piper Booster Club, \$800. (Photo by Tim Jones)

Jaycee, Jaycee-ette Awards Presented At Banquet Saturday

The presentation of special awards was the highlight of the annual Hamlin Jaycee and Jaycee-ette Installation and Awards Banquet held in the high school cafeteria Saturday evening.

Receiving plaques for the top Jaycee awards were Milburn Wink, Key Man; Jerry Smith, Jaycee of the Year and Top Spoke; Ken Pruitt, Hustler; Sam Mack Hodges, Outstanding Project Chairman; Harvey Lawlis, Top Spark Plug Award.

Top Jaycee-ette awards went to Mrs. Sam Mack Hodges, Presidential Award; Mrs. Young Bill Maddox, Jaycee-ette of the Year; and Mrs. Ken Prewit, Outstanding Project Chairman.

Rick Clayton, executive state vice president of Abilene, installed the new Jaycee officers and Mrs. Ben Faulkner, Area II vice president of Abilene, installed the new officers for the Jaycee-ettes.

Jerry Smith was installed as the new Jaycee president and presented Dan Gallagher with the outgoing president's plaque. Other officers installed were Donald Van Dam, first vice president; Harvey Lawlis, second vice president; Sam Mack Hodges, secretary; O. H. Weaver, treasurer; Skipper Smith, ICD; and Ken Prewit, Pinky Sellers, Young Bill Maddox, Charles Brumley, and Scotty Knox, directors.

Jaycee-ette officers installed were Mrs. Harvey Lawlis, president; Mrs. Young Bill Maddox, vice president; Mrs. Jerry Smith, secretary; Mrs. Ken Prewit, assistant secretary; Mrs. Sam Mack Hodges, treasurer; Mrs. Herbert Lakely, reporter; Mrs. Charles Brumley, historian; Mrs. Skipper Smith, parliamentarian; Mrs. Ewell Mackey, state director; and Mrs. Joe Cortez and Mrs. Eddie Connally, directors.

Mrs. Mackey was presented the past president's plaque by Mrs. Lawlis. First year Jaycees receiving Spoke certificates for achievement were Jerry Smith and John Ed Scott.

Outstanding Jaycees with more tenure were presented Spark Plug certificates. Receiving these were Scotty Knox, Charles Brumley, Ewell Mackey, Skipper Smith, Sam Mack Hodges, Young Bill Maddox, Donald Van Dam and Harvey Lawlis.

FFA Chapter Sets Meeting June 1 To Plan Summer Activities

The Hamlin FFA Chapter will have a regular meeting Monday, June 1, in the vocational agriculture classrooms at 8:00 p.m. The purpose of the meeting will be to plan summer activities for the chapter and to elect three voting delegates to the Area II FFA Convention which will be held June 2-3 in Sweetwater.

Several Hamlin FFA members are already planning on attending the Convention. Rodney Rackley, Stamford District FFA President, is to aid with registration Tuesday morning. Charles Sellers is a candidate for the Area II FFA presidency. Edward Johnson, Charles Sellers, and Steve Teichelman are all candidates for the Lone Star Farmer Degree, the highest award the Texas Association

can confer upon its members. Charles will be competing for the title of Star Lone Star having already earned this title on the local and district level. Carlos Gonzalez, also a local and district winner, will be trying for the title of Star Chapter Farmer of the Area.

Others planning to attend include Davis Weaver, a applicant for the National FFA Foundation proficiency award in Crop Farming; Bill Hodnett, the applicant for the livestock farming award; and Gil Lain, a candidate for the American Farmer Degree. Edward Johnson is applying for the Soil and Water Management Award and Charles Sellers is applying for the Agricultural Mechanics Award. The Hamlin FFA Chapter will also enter the National Chapter Rating Contest.

TOP JAYCEES—Outstanding Jaycees honored with awards Saturday evening at the annual banquet are, from left, Jerry Smith, new president and recipient of the Jaycee of the Year and Top Spoke awards; Milburn Wink, Key Man; Ken Prewit, Hustler; Sam Mack Hodges, Outstanding Project Chairman; and Harvey Lawlis, Top Spark Plug Award winner.

\$1200 In Scholarships Awarded At Graduation

Diplomas were presented to 55 Hamlin High School graduates at Commencement exercises Monday evening in the public school auditorium. Speaker was Dr. John DeFoore, pastor of the University Baptist Church in Abilene.

Scholarships totaling \$1,200 were given to four graduates. Receiving the \$800 Pied Piper Booster Scholarship was Jerry Wayne Braley. He was chosen by the scholarship committee as a deserving athlete.

Receiving \$100 scholarships as valedictorian and salutatorian were Mary Jane Wallace and Chris Perrin. Miss Wallace also received the \$100 Woman's Literary Club Scholarship.

The Ex-student \$100 scholarship was presented to Peggy Jones.

Awards and diplomas were presented by B. V. Newberry, principal; C. F. Cook, superintendent; and Dr. M. L. Smith, president of the school board.

Gary Smith, senior class president, presented the class gift.

The procession was played by Tony Lewis. Rev. Max Brown gave the invocation. The welcome was given by Chris Perrin and Miss Wallace gave the farewell.

F. M. CROW
... services held Sunday

Swimming Pool to Open

The swimming pool in Hamlin City Park will open Tuesday, June 2nd. The pool is managed by Dan Truelove. The pool is open from 1 to 6 p.m. daily except Sunday.

Five From Here Attend Nazarene District Assembly

Five persons from the Hamlin Church of the Nazarene were representatives to the West Texas District Assembly held recently in Ft. Worth. Attending were the pastor and his wife, Rev. and Mrs. Marshall Stewart, and the church delegates, Mrs. C. E. LaBaume, Mrs. R. W. Higdon and Mrs. Ina L. Parker.

Officers for the local Missionary Society elected prior to the assembly were Mrs. LaBaume, president; Mrs. W. H. Murphree, vice president; Mrs. Clarence Garrett, secretary; Mrs. Higdon, treasurer; Mrs. M. S. Johnson, prayer and fasting secretary; Mrs. Raleigh Reynolds, Other Sheep secretary; Mrs. Mac Perdue, membership; Mrs. Parker, reading secretary; Mrs. Joe Norton, study secretary; Mrs. Donald Young, publicity secretary; Mrs. R. M. Young Sr., and Mrs. E. G. Smith, box work.

Ice Cream Supper Tickets On Sale

All members of the Hamlin Lions Club are selling tickets to the annual Ice Cream Supper to be served Friday, June 12, beginning at 7 p.m.

Ice cream and cake will be served in the high school cafeteria.

James Wright is general chairman.

Doyle Ponder, manager of Pied Piper Farms, was elected as a director of the East Texas Hereford Association at the organizations recent meeting in Tyler.

Oak Grove Sets Dinner Saturday

Oak Grove Baptist Church will sponsor a dinner Saturday night in the Fellowship Hall.

Serving will begin at 6:30 p.m. Tickets are \$1.25 each. The public is invited to attend.

The menu will include chicken and dressing, giblet gravy, cranberry sauce, green beans, buttered potatoes, fruit salad, peach cobbler, hot rolls, tea and coffee.

Homecoming Set

The Longworth Homecoming Reunion will be held June 7, 1970 at the Community Building in Longworth.

Funeral Services Held Sunday for F. M. Crow, 75

Funeral service was held here Sunday at 4 p.m. for F. M. (Pistol) Crow, 75, a longtime resident of Hamlin. A former dispatcher for the Hamlin Police Department, member of Hamlin Fire Department and grocerman, Mr. Crow died at 4 a.m. Friday at Hamlin Memorial Hospital.

The service was held in the Hamlin Church of Christ with Douglas LeCroy minister, and Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiating.

Born Oct. 2, 1894, in Indian Territory, Okla., he was the son of the late Mr. and Mrs. W. B. Crow. He and the former Mary Almeda Chism were married Oct. 8, 1916, in Oney, Okla.

During World War II Mr. Crow was a truck driver for Sheppard Air Force Base. He also served as Fire Marshall for several years in Hamlin.

He is survived by his wife; three sons, Wilson of North Little Rock, Ark., Maurice of East Gadsden, Ala., Milton, who is serving in the U. S. Navy; two daughters, Mrs. O. M. (Valeta) Hartley of Hamlin, Mrs. Doby (Marjory) Johnson of Odessa; three brothers, Earl, Evert, and D. D., all of Hamlin; two sisters, Mrs. Ed Stallings of Oklahoma, and Violet Ferguson of San Antonio; eight grandchildren and five great-grandchildren.

Burial was in Hamlin East Cemetery.

Pallbearers were J. D. Josey, Lee Hastings, Ed Branscum, J. O. Murphree, C. L. White and Bill Thompson, all volunteer firemen.

Judy Jenkins To Tour Europe This Summer

Judy Jenkins, a recent graduate of Texas Tech University, will leave from Dallas June 4 on a Texas student charter arranged through the University of Texas for a 10-week European tour.

Taking the trip with her will be another recent graduate, Lucy Casbee of Lampasas and Judy Storm of Brownwood, a Texas Tech senior. The girls will be flying with the student charter but will plan their own tour to be taken by car.

They will visit England, France, Spain, Italy, Switzerland, Austria, Germany and Holland.

Immediately after their return Aug. 11, Miss Jenkins will go to Lubbock where she will be a residence hall counselor while doing graduate work.

First Baptist Youth Choir to Present Concert June 3

The Youth Choir of the First Baptist Church will present a Sacred Concert Wednesday at 7:30 p.m. The choir will sing familiar hymn arrangements and gospel songs in addition to songs in the more modern vein.

Soloists and ensembles will also be featured along with testimony of personal Christian experiences. Everyone is invited to attend the concert in the church sanctuary.

The Youth Choir, made up of young people from several churches in Hamlin, will be leaving Hamlin June 6 on a mission and concert tour to the headquarters of the Southern Ute Indian Reservation in Ignacio, Colorado. During the 10-day tour the choir will be involved in concert, youth revival, church repair, religious survey, and personal witnessing.

All year the choir has worked to raise money for the trip to Colorado. Each member expresses thanks to all who have provided work and made contributions to this effort.

CONCERT SET—The Youth Choir will be presented in a Sacred Concert Wednesday evening at 7:30 p.m. in the sanctuary of First Baptist Church. The choir, made up of young people of Hamlin, will leave June 6 for a mission trip to Ignacio, Colo. The choir includes, from left, front row, Jan Gardner, Wendy Russell, Marcia Steele, Kathy Ponder, Jeanie Ferguson, Debbie Meyner, Rochelle Kincaid; second row, Kenneth Payne, Velanne Rowland, Ken Shira, Terri Gregory, Tony Lewis, Jim Clifton, Ivie Harper, Charlie Shira, Davis Weaver, Helen Howard, Gil Lain, Fodie Sonnenburg, Johnnie Howard; top row, Danny Woods and Timmy Lewis. Not pictured are Jana Ferguson, Mary Wallace, Peggy Jones, Leldon Clifton, Bryce Fowler, Sharon Embrey and Tara Colley. (Photo by Tim Jones)

Reception Here Sunday To Honor A. B. Carltons

Mr. and Mrs. A. B. Carlton will be honored Sunday afternoon at a reception hosted by their daughters in observance of their 50th wedding anniversary.

Hostesses will be Mrs. William J. (Rosemary) Adams of San Diego, Calif., Mrs. Benny (Diane) Jones and Mrs. Kenneth (Linda) Barnett, both of Abilene. Also present will be Mr. Jones and Mr. Barnett. Mr. Adams of San Diego and their son will be unable to attend.

Mr. Carlton was born Mar. 4, 1897, in Anson. Mrs. Carlton was the former Mary Alice Oates, born July 11, 1897, in Havana, Ark. They met in Hamlin in 1917 and were married May 27, 1920, in Hamlin.

He is a former stockman and farmer and is currently serving as City Judge. Mrs. Carlton teaches kindergarten.

Both are active workers in church activities of the First United Methodist Church. They also enjoy playing bridge and "42".

They have nine grandchildren.

Members of the house party will include brothers and sisters of the couple. They are Mr. and Mrs. Bill Rountree, Mr. and Mrs. Floyd Carlton of Abilene, Mr. and Mrs. Noel Oates of Henderson, Mrs. Henry Crawford and Miss Pauline Oates of Anson. Grandchildren will also be assisting.

FRANK'S

MRS. HERMAN DANIELL
... formerly Kathie Christian

Christian-Daniell Vows Read Saturday

Maria Kathelene Christian and Herman Ray Daniell were married here Saturday evening at 7:30 p.m. in the First Baptist Church.

Parents of the couple are Mr. and Mrs. Robert R. Christian and Mr. and Mrs. H. R. Daniell.

Rev. Max Brown, pastor, officiated. Mrs. L. B. Baker was organist.

Given in marriage by her father, the bride wore a gown of white organza and Spanish lace reembroidered with seed pearls over white satin. The gown featured long tapered sleeves and a train of ruffled Spanish lace. Her veil of illusion fell from a crown of flowers accented with seed pearls. She carried a cascade arrangement of white orchids.

Attendants were Connie Christian, sister of the bride, maid of honor; Toni Casey, bridesmaid; and Tammy Jeffrey of Noodle, junior bridesmaid.

They wore lined blue nylon lace A-line gowns designed with puffed sleeves. Their headresses were blue velvet bows with brief veils and short blue velvet streamers. They carried nosegays of starburst poms.

Gary Hale of Abilene, nephew of the bridegroom, was ringbearer.

Stacy Brown and Tony Ma-

berry lighted candles.

Best man was Bobby Self of Abilene, brother-in-law of the bridegroom.

Fred Hale of Abilene, brother-in-law of the bridegroom, was groomsmen. Gary Hester and Larry Farnsworth were ushers.

The reception followed in the Fellowship Hall. Keven Mehaffey registered guests. Assisting in the reception were Mmes. D. C. Andrews, D. A. Brown, Misses Debbie Hardaway, Sharon Ford, Marsha Hester and Susan Patterson.

The couple will be at home May 30 at 39 Southwest Avenue F after a wedding trip to Ruiddosa, N. Mex.

The bride, a junior in Hamlin High School, will continue her studies this summer. Daniell is a graduate of Hamlin High School and spent two years in the U. S. Army, stationed one year in Augsburg, Germany. He is employed at Mac's Super Market.

The rehearsal dinner hosted by the bridegroom's parents was at the Cliff House in Stamford.

Party In Starr Home Saturday Honors Graduates

High School graduates honored in the home of Mr. and Mrs. I. J. Starr Saturday evening were those who were members of the second grade class when Mrs. Starr first started teaching in the Oscar DePriest School in Hamlin.

Guests were Peggy Cork, Peggy Lee, Robert Bolden, Jerry Covington, Ricky Waller and Andrew L. Cox. Virginia Baldwin and Bobby McPherson, both of Abilene, were unable to attend because of sickness and death in their respective families.

The table was covered with lace over deep pink and centered with an arrangement of pink roses. Refreshments of sandwiches, punch, cookies, nuts and mints were served.

Games of Bingo were played. Each graduate received a gift from Mr. and Mrs. Starr and from Miss Mary E. Esco who assisted with the party.

McCauley Trio Named for Honors

Deborah Sue Smith, David Claborn Hill and Teddy Current of McCauley High School have received membership in the Society of Outstanding American High School Students for 1970.

The students, who were chosen on the basis of excellence in scholarship, leadership and civic contribution, are to be listed in the 1970 Volume of Outstanding American High School Students.

NEW BABY

Mr. and Mrs. George Deel of Independence, Mo., are parents of a boy, Lance Arlen, born May 20. He weighed 7 lbs. 4 oz. Grandparents are Mr. and Mrs. Elbert Cornelius and Mrs. Mayne Deel.

Sandra Payne, Larry McCoy August Wedding

Mr. and Mrs. Sandra Payne are announcing the engagement and wedding of their daughter, Sandra, to Larry McCoy Jr. of Hamlin. The wedding will be held at the First Baptist Church at 8:00 p.m. August 1.

Miss Payne, a graduate of Hamlin High School, attended Southern Methodist University in Dallas. She was a member of the freshman BSU council.

McCoy, also a graduate of Hamlin High School, attended Texas Tech and Cisco Junior College.

The couple will reside in Hamlin.

SANDRA PAYNE
... sets wedding date

Mrs. Jim Bonds Honored With Coke Party, Shower Sat.

Linda Bailey was hostess for a Coke Party and kitchen shower honoring Mrs. Jim Bonds Saturday afternoon in the home of Mrs. Floyd Clifton.

The refreshment table was covered with a floral cloth and centered with a candle arrangement surrounded with yellow pansies. Accent colors were yellow and green. Tuna puffs, small sandwiches and thimble cookies were served.

Guests included Jayne Carol Turner, Pauline Lakey, Donnelle Hill, and Sharon Palm.

NEW OFFICERS—New officers of the Hamlin Business and Professional Woman's Club installed Tuesday evening are, from left, Mrs. Earl Brown, president; Mrs. Kenneth Riddle, first vice president; Mrs. A. J. Winegeart, second vice president; Mrs. Monroe Tabb recording secretary; Mrs. I. R. Witt, corresponding secretary; and Mrs. Ervin Ueckert, treasurer. Mrs. Max Brown, right, installed the officers. The meeting was held in the home of Mrs. Witt.

Xi Gamma Pi Closing Luncheon Held Saturday

Xi Gamma Pi Chapter of Beta Sigma Phi met Saturday in the home of Mrs. W. T. Johnson for the closing luncheon climaxing the club year activities.

The luncheon was followed by a social hour of bridge directed by Mrs. C. Weldon Griggs.

Attending were Mmes. M. L. Smith, Cliff Reynolds Jr., Holly Toler, H. L. Mehaffey, Jerry Waggoner, Gerald Young, Arlie Cassle and E. J. Hawkins.

A special guest was Margaret Ann Johnson, who assisted her mother with hostess duties.

The next meeting will be an ice cream supper Aug. 13 at 7:30 p.m. in the home of Dr. and Mrs. Hawkins.

Ice Cream Party Honors Seniors

Seven Hamlin High School graduates were honored with an ice cream party Thursday evening by Kathy Ponder in her home.

Geneva Ward, Patrick Carter Plan July Wedding

Mr. and Mrs. Lee Ward announce the engagement and forthcoming marriage of their daughter, Geneva Ann, to Patrick C. Carter, son of Mr. and Mrs. Art Carter of Stamford.

Vows will be exchanged July 25 in the First Baptist Church.

Miss Ward is a graduate of Hamlin High School and attended Wayland Baptist College and the University of Texas at Arlington. She was a substitute teacher in Hamlin Junior High School this past semester.

Carter, also a graduate of Hamlin High School, has been in the U. S. Navy for the past four years. He is presently employed with Kentucky Life Insurance Company.

Guests included Wendy Russell, Marcia Steele, Jana Ferguson, Jan Young, Janice Crouch, Rochelle Kincaid and Peggy Jones.

Ice cream, cake and Cokes were served. Each girl was presented a gift.

RETURNING TO THE PHILIPPINES—The Douglas LeCroy family will leave Hamlin Friday for Garland where they will work with their sponsor church in preparing for Mr. LeCroy's return to the Philippines as a teacher and preacher. They plan to be in the Philippines for four years. Pictured are Mr. and Mrs. LeCroy and their children, from left, Karen, 8, David, 6, Kenneth, five months, and Karla, 3.

Douglas LeCroy Family to Return To Philippines Late This Summer

Mr. and Mrs. Douglas LeCroy and family will be leaving Hamlin this week to begin preparation to return to the Philippines.

Mr. LeCroy, minister of the Hamlin Church of Christ, will be returning in late summer to teach in the Philippines Bible College in Baguio City and will be preaching at some 200 churches in the islands. They plan to stay four years. During the dry season he will be preaching and then in the wet season will be teaching at the College.

The LeCroys lived in Baguio City from 1962-65 and were engaged in similar work. During this period Mr. LeCroy served as president of the college for a time.

Their children are Karen, 8, David, 6, Karla, 3, and Kenneth, five months. The

two oldest children will be attending school at a Philippine Academy and their teaching will be supplemented at home by Mrs. LeCroy.

They plan to take their washer, dryer, refrigerator, mattresses, clothing and shoes. They will be cooking on butane there and will acquire a stove and other household goods after getting to Baguio City. From previously living there, the LeCroys know that they will have pleasant living conditions but will be unable to buy shoes and other manufactured goods like in the U. S.

Mr. LeCroy holds a bachelor of arts degree from Abilene Christian College and expects to complete work on a master of arts degree in church history this summer. His wife, Wynelle, has a

bachelor of science degree in education from ACC. While in Hamlin, she was a member of the Woman's Literary Club.

The family moved to Hamlin in September of 1967 from Goldthwaite.

The LeCroys will be sponsored by the Saturn Road Church of Christ of Garland. The family will leave here Friday and be in Garland for a brief period.

Prior to going overseas he will be engaged in fund raising gospel meetings in Garland and later in Alabama.

They will spend some time visiting with their parents, Mrs. LeCroy's mother, Mrs. Nadene Henry in Fort Worth, and his parents, Mr. and Mrs. J. D. LeCroy in Brundidge, Ala.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(May 29, 1925)

Judge Brians who has been keeping the official rain gauge in Hamlin has surrendered the instruments after a period of about nine years. The detail of reports and the constant ringing of his telephone to give the amount of rain fall was more than the Judge could do as a free gratis job. So if you care for the correct rainfall in the future, you had better keep is yourself. There will be no dispute as to the amount of rain for there will be no referee to decide the question. Don't phone Judge Brians any more for rain report. He says if there is anything he likes to do it is to talk, but he can't tell something he does not know.

Gradually the old landmarks of Hamlin's first beginnings are being torn down. The latest victim is the old Continental Bank building that has for many years been known as the studio building, just north of the Hamlin Herald. That property is now owned by W. M. Estes and R. B. Boyd. These gentlemen began the dismantling of the building last week preparatory to constructing a new filling station. They plan a modern drive-in station and the new structure will be started in a few days.

TWENTY YEARS AGO
(May 26, 1950)

Hamlin's volunteer fire department has received a shipment of new high pressure hose to augment the supplies carried on the equipment now in use.

The new hose will permit much greater reaching power with water in the future fighting of fires.

According to a report from Omar Burleson, congressman, the city mail delivery for Hamlin will begin on July 1.

This information was contained in a letter addressed to Perry Sparks from the Texas congressman.

Burleson has been active in an effort to speed up institution of this

service for Hamlin and has been in contact with Sparks during the long effort to obtain the service for Hamlin.

Sparks has informed The Herald that he will have information to divulge pertinent to the start of city mail delivery for next week.

It is probable that a number of residences are still without numbers, which must be posted prominently on the premises before mail delivery starts.

In conjunction with the clean-up drive being sponsored by the Junior Chamber of Commerce for Hamlin, the city administration is apprehensive as to the grief they are to encounter in this movement.

Evidences have already been cited where pick-up trucks have been forced to stop and clear the right of way through alleys in order to reach refuse that has been set out for pick up service.

TEN YEARS AGO
(May 19, 1960)

Hamlin showed the largest gain in population of any of the cities in Jones County in the preliminary figures released on the 1960 census. Hamlin showed a gain of 205 over 10 years.

The only other city in the county to show a gain was Anson, their gain was 162. Stamford lost 582 people during the past ten years.

Jones County population is down 2,965 from what it was in 1950. Most of the loss is in the rural areas.

The figures released for the county are as follows:

	1950	1960
County	22,147	19,182
Hamlin	3,567	3,772
Stamford	5,819	5,237
Anson	2,708	2,870

Dr. Gordon Bennett, former principal and superintendent of Hamlin Schools, will be the principal speaker for commencement exercises Thursday (tonight) at 8:15 p.m. Diplomates will be presented to 49 graduates of Hamlin High School.

Removing the THORN

Almost everyone that has ever removed a shoe and run barefoot through the fields, knows of the wonderful feeling of freedom that this gives. Most, also have known what it is to remove a thorn. The first attempts to pull it out are usually handled so gingerly and slowly, and then, screwing up your courage you yank it out, and find that this was the easiest way.

There are many thorns in life, and these evils should be removed swiftly, and put out of our lives. Attend Church, receive help and encouragement in removing the thorns from your life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

HIGHEST RANKING JUNIORS—Darrell Craig, left, son of Mr. and Mrs. Bob Craig, and Tony Lewis, son of Mr. and Mrs. Edgar Lewis, are the top students in the Junior Class for the school year just ended. Darrell maintained a grade average of 95.13. Tony's average was 93.87.

TOP SOPHOMORE STUDENTS—Rodney Rackley, son of Mr. and Mrs. O. L. Rackley, with a grade average of 93.91 was top ranking student in the Sophomore Class. Tied for second in the class were Latrese Williams, daughter of Mrs. Donley Williams, and Jeannie Ferguson, daughter of Mr. and Mrs. S. C. Ferguson with duplicate averages of 92.68.

FRESHMAN CLASS SCHOLARS—Ranking highest in the Freshman Class are Terri Casey with a grade average of 94.83 and Richard Wallace second highest with 94.166. Terri is the daughter of Mr. and Mrs. David Casey and Richard's parents are Mr. and Mrs. V. M. Wallace.

EIGHTH GRADE HIGHEST—Kenneth Dockins, son of Mr. and Mrs. Virgil Dockins, finished the school year at the top of the eighth grade class with an average of 96.166. Ranking second with an average of 96.0 was Linda Pinson, daughter of Mr. and Mrs. C. L. Walker.

TOPS IN SEVENTH GRADE—Yearly averages placed Cheryl Lewis, daughter of Mr. and Mrs. Clyde Lewis, at the top of the seventh grade class. Her average of 96.5 was followed closely by the 96.166 average of Ray Sonnenburg, who ranked second.

TOPMOST SIXTH GRADERS—Gary Ford, son of Mr. and Mrs. Joe E. Ford, was highest ranking sixth grader with an average of 98.6 at the close of school. Tammie Harris, daughter of Mr. and Mrs. Beryl Harris, was second with 97.2.

Some Pastures Need More Than Brush Control

Brush control alone may not be the complete answer for your pasture states Ronnie Richmond of the Soil Conservation Service in Anson. If mesquite has taken over and all the desirable grasses are gone you will probably have to resort to a more specific method of treatment such as rootplowing, raking or roller chopping to kill the mesquite and also prepare a seedbed for the new grass seeds that you will be applying at the time you prepare the seedbed.

Land now idle with mesquite can be brought into higher production through the use of rootplowing and reseeding with desirable grasses.

Seeded areas need protection from grazing until seedlings are well established. Livestock like to graze the young plants and will destroy them if allowed to graze them. At least one and sometimes two seasons are required to establish new grass stands.

The brush control by rootplowing can be done just about anytime during the year but seeding should be done from January through June 1.

You still have time to get seeding done this year, and cost share assistance can be obtained from ASCS office and grass mixture for different types of soil will be figured by the staff at the Soil Conservation Service in Anson.

The life of the average politician consists of passing the buck and placing the blame.

The surest way to enjoy life is to provide your own security by saving something every month.

Den 3 Cubs Tour Abilene Saturday

Cub Scouts of Den Three went to Abilene Saturday for the end of school trip.

Those visiting Nelson Park Zoo and Amusement Park were Scott Higginbotham, David Hertel, Mark Carter, Harold Pruitt, Greg Mann, Randy Pritchard and the den mothers, Mrs. Coye Pritchard and Mrs. Milton Carter.

Patrick Jenkins Returns to States

USS CONSTELLATION May 13 — Navy Airman Apprentice Patrick R. Jenkins, son of Mr. and Mrs. Chester A. Jenkins of Route 2, Hamlin, Tex., has returned to San Diego aboard the aircraft carrier USS Constellation after a nine-month combat deployment in the Western Pacific.

News deadline is noon Tues.

Texas Safety Association Presents Rules to Follow During Season That Could Mean Life or Death

AUSTIN — The sky grows dark and threatening, and off in the distance a dull roar can be heard as a funnel dips from the sky.

A tornado has formed and threatens damage to life and property.

That sort of scene, according to the Texas Safety Association, occurred 127 times during 1969. The statewide safety group points out that the tornado continues to be Texas' top weather worry.

According to the safety association, tornadoes can occur at anytime of the year, but they occur most frequently in Texas between March and October. During May of last year 65 tornadoes were reported in the state.

The damage from the 1969 storms amounted to \$2,341,750 as there were three deaths in Texas.

The Texas Safety Association says the U. S. Weather Bureau, State Civil Defense and Disaster Relief, and the Texas Department of Public Safety have prepared a list of rules to follow in case of a tornado disaster.

Th safety association points out that to know these rules may mean the difference between life and death.

Here are the tornado rules: 1. The safest place to be during a tornado is in a cave or a storm cellar. When time permits, go to a tornado cellar,

cave, or underground excavation which should be kept fit for use, meaning free from water, gas or debris, and preferably with a pick and shovel.

2. If you are in open country, move at right angles to the tornado's path. Remember that tornadoes move ahead at about 25 to 40 miles per hour as a general rule. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine to avoid injury from objects being hurled through the air.

3. If you are in a city or town, seek inside shelter, preferably along the inside walls on the lower floors of a steel reinforced building.

Stay away from windows.

If you are at home in a frame-house, the southwest corner of the lowest floor (Preferably a basement) offers greater safety. People living in brick or stone houses should find other shelter, such as a storm cellar or the southwest basement corner of a frame house.

If time permits before a storm strikes, turn off the gas and electricity. Windows and doors on the north and east sides of the house may be opened to help reduce damage to the building from outdoor pressure differences.

4. If you are in a school and the building is of reinforced steel construction, stay inside, keep the children away from windows and remain near inside walls on a lower floor when possible.

Avoid auditoriums and gymnasiums under all circumstances. In any rural schools that do not have reinforced construction, children should seek shelter in a ravine or a ditch when storm cellars are not available and a tornado has been reported or seen.

5. In factories or industrial plants, a lookout should be posted immediately upon receiving a tornado warning, and he should keep safety officials advised of the tornado's approach.

Advance preparation should be made for shutting off electrical circuits and fuel lines if the tornado approaches the plant.

Workers should be moved to sections of the plant offering the greatest protection.

6. Above all, keep calm. Persons have been killed by running out into the streets and by turning back into the path of a tornado.

Even though a warning is issued, the chances of a tornado striking one's home or location are slight. As a rule, tornadoes cover such a small area that relatively a few places in a warned area are directly affected. You should be familiar with the safety precautions, however, in case a tornado does approach.

7. Keep tuned to your radio or television station for the latest information when tornado warnings have been issued. Do not call the Weather Bureau, except to report a tornado, as your call may tie up telephone lines urgently needed to receive special reports, or to relay messages to radio stations for broadcast to thousands in the critical area.

The Texas Safety Association also says there is some times confusion over terms used in the reporting of tornadoes by the weather bureau.

The bureau, says the association, issues **TORNADO FORECASTS** for a relatively large area in which weather condition will be favorable for one or more tornadoes to develop.

A tornado **ALERT** occurs when one or more weather stations locate an area of turbulence or cloud formations which indicate the possibility of a tornado.

Tornado WARNINGS are announcements that a tornado has been sighted and reported. The warnings tell where and when the tornado has been reported and lists the names of communities toward which the tornado is moving. These warnings cover a short period of time, usually less than an hour, and are for the purpose of advising people in the path of the storm to take immediate safety precautions.

SAFETY THROUGH DRIVER EDUCATION

Teach our children safety through our approved driver education program. It may save lives.

It means sizeable savings in auto insurance premiums, too.

Since driver education has been made available to our school children, we at **CARL MURRELL CHEVROLET CO.** have been privileged to participate by furnishing a Chevrolet car for five driver training courses.

Our thanks to Mr. Cook and the school board for this privilege.

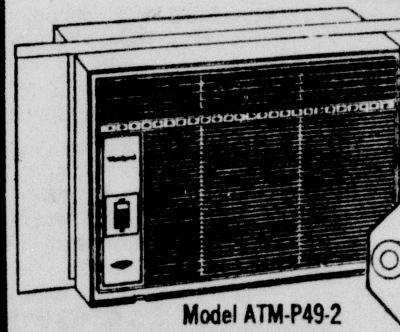

We are pleased to furnish a new 1970 Chevrolet for the 1970 program. For your shopping convenience, we have a complete stock of new Chevrolet cars and trucks — as well as a good stock of completely reconditioned and guaranteed used cars and trucks at the lowest possible prices and savings for you.

Seeing is Believing.

The awards were presented during the annual banquet held Saturday evening.

NEWS FROM ...

Old Glory

BY BERNICE WHITE

An assembly program last Friday morning at Old Glory School honored the eighth grade graduating class. Diplomas were issued to Isaac Castro, valedictorian of the class, Freddy Barrera, salutatorian and Jimmy Teichelman. Students in the school who were neither absent or tardy during the year included the one hundred per cent Junior Class, Weldon Spitzer, Steve Letz, Robert Joiner and Regina Letz, others were Sophomores, Russell Letz and Gary Teichelman; 8th graders, Freddy Barrera and Jimmy Teichelman, 7th graders, Doug Vahlenkamp; 6th graders, Debra Teichelman, 5th graders, Pete Castro and 3rd grader, Marcene Baldree.

Two reporters from the Houston Chronicle visited Old Glory on Thursday and Friday last week. Seems this is the smallest school in Texas that has a graduating class, according to reports; and a story and pictures of the graduation exercises, as well as other items about the school and the community will appear in their paper soon.

Janis Houseworth will be among the nurses who will be graduating at Hendricks Memorial Hospital in Abilene, exercises to be held Friday evening. Janis is a graduate of Aspermont High School. Her parents, Mr. and Mrs. Les Houseworth, live in the Old Glory Community.

Visitors in the home of Mr. and Mrs. Herbert Vahlenkamp last weekend were her mother, Mrs. Oeltjen, and an aunt and uncle all from La-Grange. They were to attend the wedding of Marvin Vahlenkamp and Brenda Dalby at Aspermont last Saturday night.

Judy White, student at Hardin-Simmons University in Abilene is spending several weeks at home with her mother, Mrs. Bernice D. White, and her grandmother, Mrs. Tillie Dippel. Other guests in their home over the weekend were Carmen Hofman of Dallas and Carolyn Winsett of Greenville. Judy and these two girls attended the wedding of Sharon Byrd and Homer Terry in Vernon last Saturday night.

Mrs. Oren Baldree reports that her brother Virgil Vahlenkamp and his family will soon be moving from Waco to Denton where he will be supervisor for Lone Star Gas Co. Vahlenkamp started working for Lone Star Gas in Abilene after graduation from Old Glory School a number of years ago. He then was made foreman at Waco and now has earned the promotion of this new position.

Dr. Joe Ray Boles and daughter Carrie of Dallas spent last Friday night here in the home of his brother, the H. L. Boles family. Dr. Boles was the commencement speaker for the Old Glory School graduating class.

An ex Old Glory student graduated at Wylie High School last Friday evening. Jimmy Leverett moved to

Wylie with his parents several years ago. He attended Old Glory School during most of his grade school years.

Mr. and Mrs. Reese McBroom and children of Lubbock stopped in Old Glory and attended church here last Sunday morning. They had been visiting with friends and relatives in this area.

Mr. and Mrs. Les Houseworth and Randy have been vacationing in points of east Texas and Louisiana visiting with friends and relatives.

Old Glory received about .85 inches of rain last Saturday evening. Farmers are waiting for fields to dry up so they can plant their cotton. Much of the wheat will soon be ready for harvest also.

Get well wishes this week go to Mrs. Edith Agnew, a former resident of this community. Mrs. Agnew is a patient in the Stamford Hospital since she received injuries when struck by a car while walking near her home in Stamford. A sister, Mrs. Barbara Winkle of Lancaster, Calif. has been here visiting her and the Carl Hunts.

Also to Mrs. Belle Hudson, mother of Mrs. Cliff Gholson; Mrs. Hudson is reported to have suffered a stroke last week. Mrs. Gholson's sister from Lubbock has been here visiting with them and their mother.

Old Glory seniors, Mr. and Mrs. Bill Wright and Mr. Claybourne Clarke are visiting 6 Flags and other points of interest in the Fort Worth-Dallas area this week.

Sympathy is extended to the family of Mrs. Mary D. Freeman of Rule who died Sunday morning in the Haskell Hospital. Mrs. Freeman was a resident of this community for many years and reared her family here.

Mrs. Dale Lain and Preston Morrow of Rotan were first place winners at the Tuesday evening meeting of Hamlin Duplicate Bridge Club. Mr. and Mrs. Henry Albritton were second and Mrs. W. L. Hunter and Mrs. G. W. Comegys were third.

Hamlin Native, J. R. Rhoton, Gets New Safeway Store

J. R. Rhoton, a native of Hamlin and son of Mr. and Mrs. Marvin Rhoton, is the manager of the first Safeway Store to be built in Southeast Texas.

The store at 7510 Bellfort Blvd. in Houston was opened May 5. It is the largest store in the chain in the U. S. at this time.

A 1954 graduate of Hamlin High School, Rhoton managed stores in San Angelo and Abilene before moving to Houston. He was manager of the Ambler at North Willis prior to his transfer to Houston.

He started to work for Safeway in Hamlin and has also been employed in stores in Sweetwater, Snyder, Brady, and Mineral Wells.

Rhoton is married to the former Nona White of Hamlin. They have two children, Joe Marvin, 9, and Susan Renee, 7.

Success Is the Crop We Cultivate

We Like to Listen

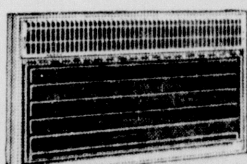

...and we listen a lot!

WE LIKE TO LISTEN to farmers and ranchers who see opportunities to expand and modernize their operations—and often we're able to help them make the most of these opportunities. Success is the crop we cultivate at the Land Bank—your success. So, whenever you hear opportunity knocking, come first to your local Land Bank Association. We'll always listen—and we listen good.

HAMLIN HIGH SCHOOL GRADUATING CLASS OF 1970
... diplomas presented to fifty-five Monday evening

ROTARY AWARD WINNERS—High School students honored by the Rotary Club at the annual presentation of Rotary Awards are, from left, Jana Ferguson, seated, Gary Smith, standing, seniors; Toni Casey and Charlie Sellers, juniors; Shelley Holtz and Rodney Rackley, sophomores; Terri Casey and Johnny Howard, freshmen. The students are chosen by vote of their classmates. (Photo by Tim Jones)

Mr. and Mrs. Paul Frazier of Hartford, Conn., are parents of a girl, Dawn Denise, born May 12. She weighed 8 lbs. 1 oz. Mrs. Frazier's mother, Mrs. W. W. Goodwin,

stayed a month with the Fraziers. Mr. Goodwin flew up last week for a couple of days to see the new granddaughter.

NEWS FROM...

Sylvester

By MRS. R. M. BABB

We had .28 in. of rain Saturday but a beautiful morning this Monday morning.

Mrs. J. E. Tindall spent some ten days recently visiting with her daughter, Mrs. Darrel Mauldin in Stephenville.

Mr. and Mrs. Blackie Ford visited in Tahoka recently with an aunt.

Roy Rocquemore is in the Veterans hospital in Big Spring for eye surgery, hope every thing goes well.

Rev. Bill Petty was able to come home from Hendrick Hospital in Abilene on Tuesday, but is still very weak. Therman Upshaw, area Missionary of Stamford filled the pulpit on Sunday morning then on Sunday evening, Gil Lain, associate pastor of First Baptist Church in Hamlin spoke.

Ron Fowler of Abilene and A&M drove out for a short visit with the Jim Lanning's on Sunday afternoon. He has just returned from Vietnam and will be going back to A&M soon.

Mr. and Mrs. Lea Dickerson spent the day Sunday in the home of Mr. and Mrs. Leon Dickerson of Rotan.

Drove by the tabernacle in the Newman community and they have most of the new roof on the tabernacle. It will be real nice when finished, don't forget the Reunion and cemetery working on June 6.

Mr. and Mrs. Pete Perales had company visiting on Sunday from Snyder.

Mrs. Robert Scott flew to

Louisiana for her daughter Susan's graduation from L. S. U. She is graduating with honors.

The J. R. Portwood family of Monahans visited with the Chunky Brown's over the weekend.

Visiting in the Cecil Kiser home over the weekend were: Mr. and Mrs. Thomas Ray Kiser of Ft. Worth, Mr. and Mrs. Bobby Kiser of Hamlin, Mr. and Mrs. Cecil Kiser Jr. of Okla. Debbie Kiser returned to Okla. with her brothers family for the summer months.

Mrs. M. D. Douglas was to be released from Hamlin Hospital Monday. She is hoping she will be able to stay home for a few weeks.

Lori and Angela Maberry of Abilene spent the weekend with their grandparents, Mr. and Mrs. J. P. Maberry and Mr. and Mrs. Richard Kelly.

Vacation Bible School at the Baptist Church will begin June 1. Be getting ready for it. I will have more information next week.

The Chub Hardwick family attended the Commencement exercises in Wylie on Friday night. Their daughter Melissa graduated.

The Gerald Prather family of Sweetwater had lunch in the W. B. Brown home on Sunday.

Mr. and Mrs. Jack Gann are getting a lot of fishing while he is on vacation.

HAD A PARTY? That's news, call the Star.

Most Ponds Need Fertilizing for Good Fishing

A properly managed farm pond can provide excellent fishing and serve as a source of recreation and income for the owner.

Most ponds, however, should be fertilized for maximum fish production, says County Agent Kirby Clayton. Fertilizer, he adds, increases the supply of plankton which is the main food supply for small fish and water insects.

Early spring is the time to begin a fertilizer program. Water temperature should be 60 degrees F. when the first application of fertilizer is made.

Most Texas waters respond to an initial treatment of 100 pounds of 20-20-5 analysis fertilizer per surface area, followed by successive treatments of 20 to 4-pounds per acre at 2-week intervals until a desirable bloom has been reached. Water surrounded by soils with ample potassium usually responds well to 16-20-0 fertilizer. Nitrogen and phosphorus seem to be essential for good plankton production regardless of the surrounding soil type.

The plankton bloom is sufficient when a person's cupped hand is not visible when the arm is immersed in the water to elbow depth (about 18 inches). The bloom usually appears in 1 to 5 weeks after the beginning of the fertilizer program, says the county

agent. Subsequent applications should be made only as needed to maintain the bloom.

Mr. and Mrs. Rodolfo C. Villarreal are parents of a boy, Rodolfo C. Jr., born May 16 at 7:55 a.m. He weighed 7 lbs. 7 oz.

Rev. (Mrs.) Alice Harrell of Vicksburg, Miss., a former pastor of Foursquare Gospel

Church, visited this past week-end with Mr. and Mrs. Monroe Tabb. Joining them for dinner Sunday were Mr. and Mrs. James Brigham and Dathy, Rev. and Mrs. Carl Pool and Elton Tabb.

Mr. and Mrs. Gary Cooper are parents of a girl, Kelli Sue, born May 27 at 12:42 a.m. She weighed 4 lbs. 10½ oz.

EAGLES SPEAK

The 1970 seniors of McCauley High School held their Commencement Exercises last Friday, May 22, in the McCauley Gymnasium at 8:00 p.m.

Four seniors were honored as follows: David Hill, son of Mr. and Mrs. O. F. Hill, was Valedictorian and Outstanding Teenager. Domingo Benavides Jr., son of Mr. and Mrs. Domingo Benavides Sr., received the Dan Fourth Foundation Award. Deborah Sue Smith, daughter of Mr. and Mrs. A. A. Smith, received the Crisco Award, the Dan Fourth Foundation Award, Outstanding F. H. A., Daughters of the American Revolution and Outstanding Teenager. Connie Dowell, daughter of Mr. and Mrs. Harvey Dowell, received the Betty Crocker Award.

The McCauley F. H. A. Chapter for 1970-1971 elected officers for the next year. The Chapter parents are Mr. and Mrs. John Ed Reed.

Brush Spraying Time Is Here Says SCS Official

Brush spraying time in Jones County is here again states Ronnie Richmond of the Soil Conservation Service.

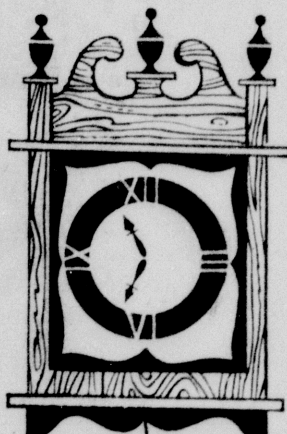

Moisture drawing power from large mesquite is 60 to 90 feet in any direction and it takes 200 to 300 gallons of water to grow one pound of mesquite. It requires only 60 to 80 gallons of water to produce one pound of grass. By using some type of brush control there is a great potential of grass and pounds of beef per acre.

From 40 to 90 days after the first leaves appear is the most effective time to spray mesquite. Oak spraying is most effective when the plant is between 60 and 80% leafed out. Wind velocity must not exceed 10 miles per hour at the time of application and atmospheric temperature should be at least 65 degrees and not over 90 degrees.

For cost share assistance contact the ASCS office and for any type of technical assistance contact the Soil Conservation Service.

News deadline is noon Tues.

NOW is the time to

ALL ABOARD FOR SAVINGS DURING GE's 13th ANNUAL

TRAINLOAD SALE!

For the 13th year in a row — here comes the General Electric appliance train! It's loaded with GE refrigerators, freezers, color TV's, washers, dryers, air conditioners and other major items for your kitchen and/or home entertainment. At big savings for you! Here's why: GE is the only major manufacturer which makes all its appliances at one location — Louisville, Kentucky. Each year at the start of the summer season the Southwest Distributor assembles at the factory a large selection of special production models, plus some closeouts and discontinued models. These are ordered by dealers in the Southwest at savings from regular prices. Because direct-to-dealer rail cars are used, additional savings in freight, warehousing, handling and paperwork are made. During the trainload sale event, all these savings are passed on to you — as much as \$80.00 on some items! Naturally, there is a limited supply of some models. So don't delay — if you plan to buy a major appliance, color TV or stereo, soon, shop these bargains today!
